WELCOME TO THE VIRGINIA ASIAN CHAMBER OF COMMERCE

Partnership for Success

OUR MISSION

The mission of the Virginia Asian Chamber of Commerce is to further Virginia's economic development by supporting new and existing Asian and Pacific Islander business development efforts in response to the community's needs in the global economy.

A BUSINESS CASE FOR DIVERSITY

There are more than 30,470 Asian American business establishments in Virginia, with over \$8 million dollars in sales, per Census data.

Virginia ranks tenth (10th) among the top ten U.S. states with the largest percentage of Asian American owned firms in the country.

Clearly, Asian American business is the engine that drives our Commonwealth.
